The Sagittar for 1961 is dedicated to Miss Virginia Moeller. Through Miss Moeller's seven years of service she has won the praise of both the Administrators and students. Her concern for the present and the future of these students has made this dedication appropriate.

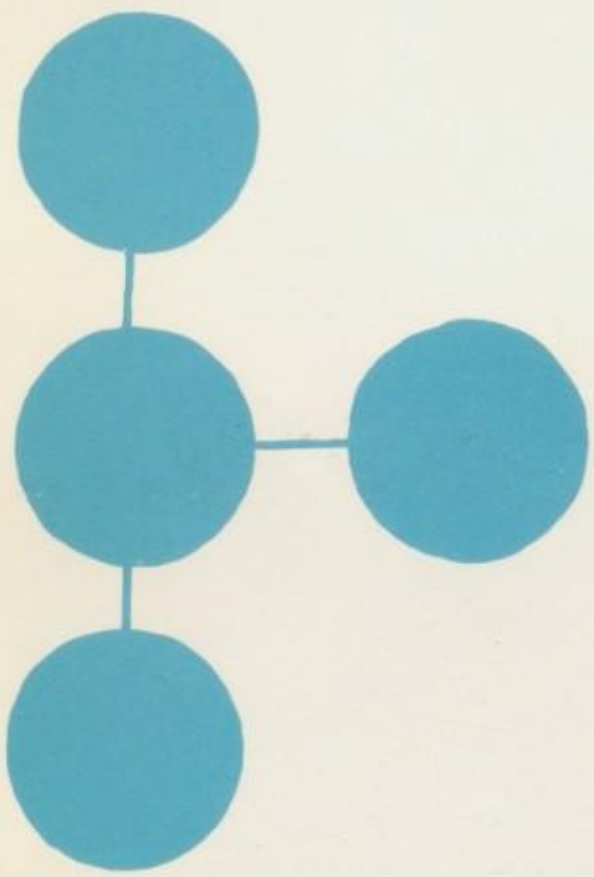
At first her concern was primarily with the girl students in the Physical Education Department and through her success she has moved to the position of Counselor.

Her students have been counseled wisely and the successful routes that they have taken toward their careers have been a direct goal of this fine lady.

The many students that are now receiving her guidance, appreciate her assistance and will more and more as their future begins to unfold.

TO YOU, MISS MOELLER, WE PRESENT THIS POSITION OF HONOR FOR THE YEAR 1961. LET THIS BE THE AWARD THAT WILL SHOW OUR APPRECIATION FOR YOUR FINE ASSISTANCE IN THE PAST, THE PRESENT, AND IN THE FUTURE.

The Sagittar



As the molecules in Science form our basic structure, the Administration in a school system forms the key unit.

Congratulations to the Class of 1961, the first to graduate under the new Baldwin Park Unified School District. Your many accomplishments, not only this year's but also for all the past years which make up your experience, are to be commended.

It is the wish of all of us that the Class of 1961 and the entire student body may continue to build on the basis of the work done here.

Darcy A. Skaggs

DARCY A. SKAGGS

Atoms and molecules are the basic building blocks of nature. All matter is comprised of a combination of atoms and molecules that form different kinds of elements, such as gold, lead, carbon, and a multitude of compounds.

Let us substitute a person for the atoms, a group of people for the molecules, and different combinations of both for the formation of compounds. By so doing we have established the building blocks of our society.

Society starts with the individual person — you, "the atom." Tightly knit groups of individuals are known as families; in other words, "molecules." The families from towns, cities, and counties, or "compounds." All of these larger units of people are merely groups of individuals, or "atoms," arranged in a variety of patterns.

Certain patterns of "atoms and molecules" form families; other groups become classrooms of students; still others materialize into school districts with their administrative staffs.

How well do our schools and school districts, cities and counties function? They operate only as smoothly and efficiently as their component parts. If each individual does his part to the best of his ability, then the unit itself will be successful.

With school officials, parents, teachers, students, and other members of the community working together to provide the best school system possible, education will flourish and the student will learn. If people as a whole function well, the country thrives.

It is your responsibility as members of this graduation class of 1961 to learn to function effectively in a democratic society by understanding the individuals around you. Certainly the key to the future then will be yours.

With the best interests of each Baldwin Park student in mind, members of our Counseling staff guide and advise students on many different problems The careful consideration of the needs of each counselee, linked with parents, as needed, has greatly benefited the entire educational program. Both students and faculty members are well aware of the fine accomplishments of this staff, both from an academic standpoint as well as in the guidance program. The friendly atmosphere which has characterized the counseling office has encouraged many students to seek assistance with their problems.

The counseling staff is an ever-ready body of men and women whose job it is to aid the students during the years of their high school life. Whether it be problems of school life, college plans, or even home life, our counselors are always willing to help us become better prepared for the world of tomorrow.

One of the most important parts of the school structure is the outstanding staff of assistants. These women are of continual aid in the function of key offices. Not only is their work of vital importance but the pleasant qualities that they add to the school is most beneficial.

With the ever increasing necessity for educational advancement, the Baldwin Park High School Faculty is keeping up with the trend. In science the foundation must be firm to promote development. In the Educational System a similar formula prevails.

Mr. Roy Apple
Advisor

As Editor-in-Chief of the Silver Streak this past year, I felt that it was both an honor and a privilege. My knowledge of journalism and printing has increased as well as my interest in this field and I feel that this was made possible by the excellent advisorship of Mr. Roy Apple.

The paper has made terrific strides toward perfection this year and I am sure that my staff will agree with me that Mr. Apple deserves most of the credit. Under his direction that staff has seen what a good paper should consist of and look like. Without him I doubt very much if the paper would have made any improvements at all. So at this time I would like to thank him for all his help this past year in making our school publication what it is today.

I would also like to thank my faithful staff who has worked hard in getting stories, writing them, and having them typed in time to meet the deadline of every issue. It has required a lot of hard work and learning because of the paper being printed in a different manner than it was last year.

At this time I would also like to express my admiration for Jerry Inmann, sports editor, who has done such an excellent job on the sports page, practically single-handed.

Promotes Spirit And Leadership

Mr. Richard Parkhurst
Advisor

With the purpose of promoting school spirit, student government, under the capable leadership of Jim Hicks and Mr. Richard Parkhurst, advisor, has worked throughout the year toward the betterment of the school.

In an attempt to make each students high school days more enjoyable and memorable, it has sponsored many activities such as the annual Homecoming Rally, Game, and Dance, Operation Big Switch, the K. R. L. A. Dance Party, Traffic Safety Week, two student body card holders events, spirit week, Dress-up Days, the Inaugural Ball, and the Party on the mall.

In addition to planning these activities, it was the duty of Student Government to regulate all clubs' Activities and to take charge of all student body expenditures. They also sponsor assemblies such as those featuring the outstanding Lancers, John Goddard, and the movie, "Surf Crazy" being presented this year.

With the addition of Student Court this year, Student Government, consisting of Cabinet, Legislature, and Court, worked together with one goal in mind, TO STRENGTHEN THE PRIDE AND SPIRIT OF THE STUDENTS FOR THIS, OUR ALMA MATER.

Representatives from each class form the voices of the students as they perform their duties in the student government. Working directly with student body officials these students represented their respective classes throughout the year.

Senior—Ray Reys, Bonnie Bordonaro, Kathy Foot, Mack Ott.

Junior—Anna Miyakowa, Shirley Abbott, Peggy De Lap, Tommie Clark.

Sophomore—Barbara Arhart, Glenda White, Joan Cady, Jack Holloway.

Freshmen—Beverly Bollinger, Pat Ibanez, Mary Ann Reys, Jim Campbell.

By bringing to the Student Government the views and thoughts of their respective classes, these students gave each class a voice in the governing body. Splendid cooperation has made this an outstanding year for these students.

LIBRARY

The Baldwin Park High School Students are furnished with an ideal environment for study, pleasure reading, and materials for research, our library stands out as one of the most useful facilities of Baldwin Park High School.

Our librarian, Mrs. Gossman, courteously locates reference material and instructs students in the proper use of the library so that it may be used to its best advantages.

Library material may be used for various purposes by different students. Some are social science classes working on occupational reports, and other students are working on research papers and term papers. Books, encyclopedias, magazines, newspapers, pamphlets and the vocational files are to be found through the use of the Readers guide. These are fiction and non-fiction books in a wide variety of subjects for those who desire them for pleasure reading and reports.

The Girls' League Board is made of representatives from each class and club, besides the elected officers. Various activities provided numerous opportunities for B. P. H. S. Girls who participated in Girls' League. All girls become members upon entering high school. A big event of Girls' League is the big and little sister party. This party is provided for incoming girls to get acquainted with others and to ask questions and find out what school is all about.

To conclude the year's activities a date with Dad Party was held. All Girls invited their dads for a pot luck dinner and games afterward.

Creates Humor

The Ghosts Go West is a suspenseful mystery and fantasy. It involves a ranch of a dead man and the inheritance of the ranch by his daughter. Under the careful guidance of Mrs. Clayton, the play was a truly intriguing presentation.

The cast was as follows:
Kathy Hawkins — Prompter
Win Patten — Lorna Farnsworth
Charlotte Becker — Doreen Delaney
Bob Eshlaugh — Gary Sampson
Donna Allen — Ma Clanton
Jackie Linsey — Elizabeth Mason
Jackie Russell — Hallie Hallakan
Nancy DeWatney — Kitty Sampson

Los Companeros And S.P.Q.R. Build

Mr. Gossman, advisor, S. Acevedo, R. Baca, M. Martinez. Not show: L. Nash, M. Reyes.

Los Companeros, is the Spanish club at Baldwin Park High School. This club strives hard to reach a better understanding of the Spanish language and its background. Los Companeros is co-sponsored by Mr. Gossman and Mr. Sowa. They had a taco party along with an enchilada party which most Spanish clubs have. For this year's activities a trip was made as one of the highlights this year.

This year the club has planned two sock-hops in co-sponsorship with S.P.Q.R., our school's Latin club.

The Spanish club is open to all students who can speak the language or who are pursuing a course in the Spanish language.

Row 1: C. Dickson, P. Ibanez, B. Bollinger, C. Gibson, T. Miscavitch, L. Fowler, K. Lyons. Row 2: L. Forrester, W. Bohannon, J. Hicks, E. Dimon.

Interest In Foreign Languages

Mr. Koehler (advisor), E. Dimon, B. Bollinger, C. Gibson, J. Hicks.

S. P. Q. R. is the Latin club under the leadership of Mr. Ed Koehler. S. P. Q. R. encourages the students interested to learn more about the Latin Language, its history, and the culture of the Roman era. This Latin Club is affiliated with the Junior Classical League which is an organization nation-wide. The title S. P. Q. R. in his Latin Club is an abbreviation used in the time of the Roman empire for the Senate and People of Rome. Each year a Roman banquet is held by the Latin club. The members don Togas, the dress of the Roman empire, and eat food served in the Roman way. The fact that the Romans didn't use silverware creates quite a problem for some of the members of the Latin club. Membership in this club is open to all students at Baldwin Park High School who have taken some Latin language. This years activities consisted of two sock-hops of which were also co-sponsored by the Spanish club, Los Companeros.

F. B. L. A.

The development of strong leadership is one of the chief goals F. B. L.A. has strived hard to reach.

F.B.L.A. is a national youth organization for Future Business Leaders of America. This organization is designated for the students who are looking forward to having business careers. The members of this club learn how to lead and participate in group discussion, preside at meetings, and conferences, head and work on committee assignments, and work effectively with others around them and to participate in desirable activities which contribute to the development of leadership qualities.

Sponsors for the club are Miss Barker and Miss Martin. Membership is open to Junior and Senior students taking at least two courses in business with a C plus average. Members attended a convention at Oakland. They had Bake Sales to raise the money to go on this convention. F.B.L.A.'s annual dance this year was a Hawaiian Luau. This was the major fund-raising activity for the year.

Interested Baldwin Park High School students composed the Future Teachers Club of America. F. T. A. is under the capable leadership of Mr. Hudlow, advisor, and Diane Smith, President. By providing various programs of interest F. T. A. encourages students planning to enter the field of teaching. In September and January the installation of members remains a memory for the F. T. A. as the older members initiated them into the club. The activities for 1960-61 consisted of field trips, guest speakers, films, and classroom observations. A trip to the Annual Future Teachers Conference at the Whittier College was a major event. Membership is offered only to those who maintained an A or B average in academic subjects at school. As a member of the National and California organizations for the future teachers, the F. T. A.'s attended informative conferences, enabling them to exchange ideas with other schools.

And Medicine

Mrs. Catherine Griffin

The Nightingales is a future nurses club based on building interest in medical careers for girls at Baldwin Park High School. The school nurse, Mrs. Griffin, is the club's advisor.

The future nurses have visited General Hospital in Los Angeles, during the activities this year. On this tour the Nightingales became well acquainted with the many duties of a nurse.

The Nightingales agenda included guest speakers, whose talks were enjoyed thoroughly by the members. Funds were raised for the years activities by means of a Bake Sale and a car wash held during the two semesters.

Florence Nightingale, whose name this club bears, strived and worked hard. The members of this club try to pattern their lives after hers.

Ski Club And G.A.A. Symbolize Skill

Constitution Committee Ski Club, Shirley Ablott, Bruce Lone. Not shown: Gail Hamilton.

A newcomer to the club scene of Baldwin Park this year is the Ski Club. Dedicated to the furtherance of winter sports in general and skiing in particular the club's enrollment indicates a real need being met in this area of recreational sports.

With most of the early meetings taken up with the formation of policies and plans there were later meetings involving discussion of skiing techniques, requirements, areas of ski activity. Some basic instructions were given by Mr. Hudlow, the club's advisor, and ski equipment of various price ranges were displayed.

Future plans include dry land ski instructions, field trips to skiing areas, ski movies and guest speakers. There were also discussions pertaining to the inclusion of other recreational sports such as skindiving, surfing and swimming.

In The Various Sports

Miss Shelton, S. Acevedo, L. Thelander, E. Johnson, S. Lanham, Mrs. Craig.

G.A.A. is a club especially for all girls who are interested in sports. The G.A.A. officers for this year are Lynn Thelander, Pres., Eloise Johnston, Vice Pres., Sandra Lanham, Sec., Sandra Acevedo, Treas., Pat Woodworth, Sec. of Awards, Shiels Depte, Art director, Judy Brundage, publicity, Lita Grantham, Historian, Rita Robinson, Senior Rep., Rosemary, Junion Rep., Salley Granadas, Freshman Rep.

The activities for the beginning of the year consisted of a mother-daugher volleyball game which was very enjoyable. G.A.A. have had quite a few money raising projects in order to afford a weekend beach party. They have had a bake sale, car wash and rummage sale. They have attended three playdays, one at Chaffey which was an all volleyball playday, one at Covina which consisted of various sports, and one at Mt. Sac, which also consisted of various sports. G.A.A. gave a playday for West Covina one evening after school and they gave one for Landis and Jones 8th grade which was fun for all involved.

CHESS CLUB

To further interest in chess these students are in the process of becoming experts.

The Chess Club was founded to give recreation and promotion to the game. Mr. Malcolm, the Advisor, has promoted great interest in this time honored sport.

Concentration and ability to think ahead are major factors in chess.

To observers the game of chess is slow and lacks interest, but to these avid players it's skill, understanding, and advance thinking that brings up a winner.

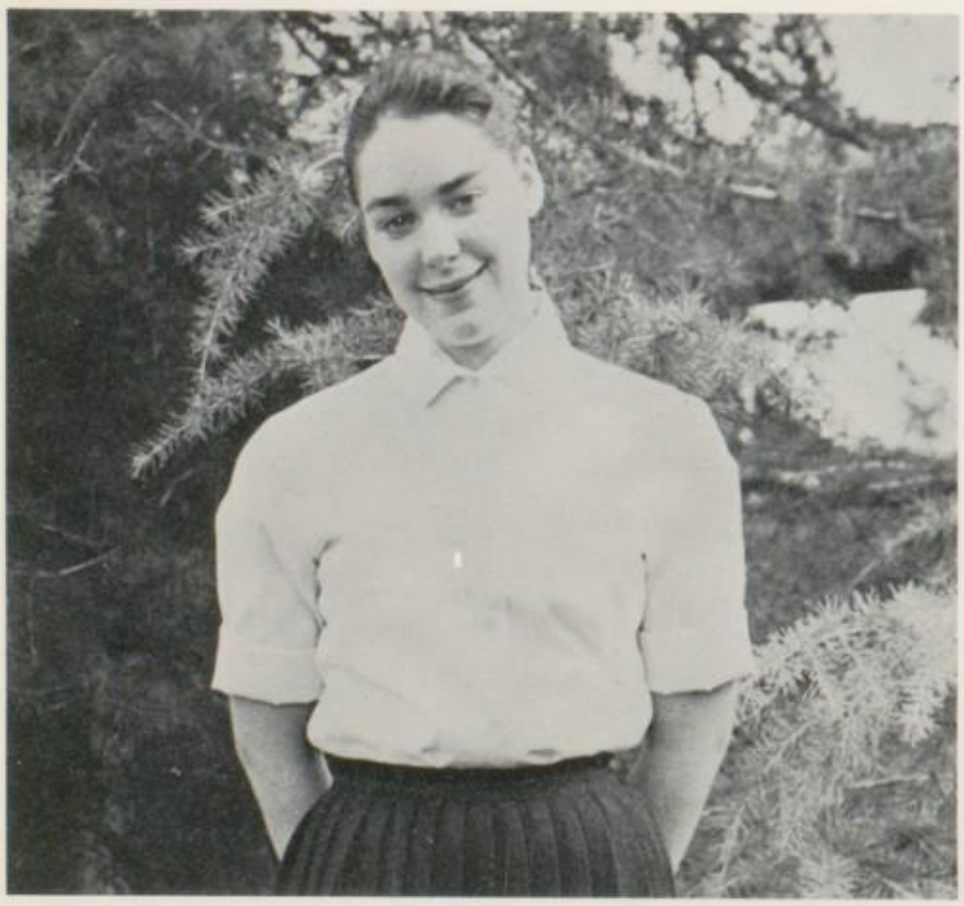
The Harvesters



Justine Patten, President

The stimulation and development of moral and spiritual values is the purpose of Harvesters, an outstanding club on campus.

Activities of the club are designed to increase personal awareness of life's opportunities for kindiness, consideration, and fulfillment of our responsibilities to one another.

The meetings usually consist of a program of spiritual value. Talented students on campus as well as guests from various off-campus religious clubs, churches and religious groups are invited to speak, sing, or play instruments during the meetings.

Next year, with a renewal of its outstanding purposes, the Harvesters expect another period of vigorous growth. Advisors for Harvesters are Mr. Gerald Hudlow and Miss Nancy Smith.

Civettes is composed of the top senior girls in grades and service points. Easily recognized by their white overblouses with turquoise-blue and black emblems, over which is worn a black and gold key.

Civettes carried out various goals, whether it is ushering freshmen on opening day or showing parents to the various departments on the night of Open House, under the leadership of Mrs. Giesler, advisor.

Highlights of their social calendar were their clever Civette Week and their after-game record dance, formally known as the Varsity Drag, which was held on February 24th. Civette members also provided each teacher with a beautiful corsage during the yuletide season.

During the school year Civettes were earning money for their treasury by selling suckers for a dime, which were monogramed "Lick Covina." Their fund raising activities are held annually.

Silhouettes is a service club for Junior girls. These girls have, whenever at all possible, aided the school by acting as open house guides, graduation honor guards, and Senior Tea hostesses. Some of Silhouettes activities this year consisted of co-sponsoring the Valentine Dance and the Hi-Dance which is always the first dance of the year. Membership of this club is offered to top sophomore girls, based on service points which are earned by doing services for the school and for the faculty.

In their freshman and sophomore years, grades and overall enthusiasm shown are part of the selection process. Silhouettes can be identified by their club blouses which are white, and by their emblem which is black with yellow letters. There is a good-size group of girls in this club and they are working to fulfill their obligations to the club and to their school.

Under the advisorship of Mr. Simonian, the Key Club strives to strengthen our community by following their motto, "We Build." The key club does various services on and off campus. Members of this club sold tickets to the Booster Club such as a sock-hop, bake sale, and a car wash provided funds for the year's activities. One of the most important activities of the Key Club was the Valentine Dance which they co-sponsored with Silhouettes, the junior girls service club. Key Club has also donated their services by painting trash cans a bright blue. This is a club open to all sophomore, junior, and senior boys who must first have a recommendation from each of their teachers. Their application is then referred to the board of the club for consideration. The Key Club affiliates with the Kiwanis International. It provides its members to display leadership in turn provides services for the school.

The main goals of the Baldwin Park Lettermen's Club is the promotion of sportsmanship and assisting in school projects. The Lettermen's Club is composed of athletes who have earned a varsity letter. The Lettermen are identified by their club sweaters, which are worn with great pride. The sweaters are gray with year of graduation on the sleeve and the Lettermen's monogram on the left front side. This is a club that every boy who is a member is proud to belong to. Faculty-Lettermen's Basketball games coupled with the organization of a beach party were only two of their activities completed under the guidance of their advisors, Mr. McPhail, and Mr. Jones, and Lettermen President, Steve Wood.

Activities were brought to a close when the Lettermen were honored at the annual Recognition Banquet. At the beginning of the first semester the officers were chosen. Officers for this school year were Steve Wood, President; John Burgess, Secretary; and Mac Ott, Treasurer.

Senior Career Day introduced our students to the various professions. Many students attended evening meetings with representatives of various professions answering questions and relating experiences.

This program was exceptional because the students learned the professional answers to many questions in the field of their choice.

Each year this program offers new experiences. The students have a first hand contact with those directly related to their own future career.

The Career Day has become an affair that is anticipated with interest. This year's presentation was well received and attendance was very good.

The Baldwin Park Brave's Band for 1961 displayed great ability in playing and marching. Under the able direction of Mr. Robert Greenwell the band has moved to the position of one of the finest in Southern California. Each year the band is more dreaded in competition by other organizations. The victory at the Corona Band Festival was one of the most coveted awards in Southern California. In events to come our band is certain to rank at the top of the roster. The members of the band deem it an honor and a privilege to be associated with such a fine group.

Cashing in on numerous Brave miscues, the St. Anthony Saints defeated the B.P. Braves 26-0, on the Victors' home gridiron.

The Saints were able to recover six of nine Brave fumbles and consequently two of the six led the explosive Saint running attack with 15 and 18 yard runs to paydirt, in the first and second quarter.

The three to four times the Braves were able to get a sustained drive going went for naught as the Braves would lose possession of the ball either on one of their numerous fumbles or on intercepted Brave aerials.

Jack Castleton is surrounded by a tackler from St. Anthony, after making a short gain. Coming up to help block are Cliff Furuken and Mack Ott.

Santa Ana took command in the first period with two touchdowns and B.P. couldn't catch up.

Don Orr went five yards to paydirt and then passed for the conversion. The second score came on Jackson's four yard sprint into the end zone.

Baldwin Park had several scoring drives in the later portion of the game, but fumbles proved too costly to the visitors.

Surrounding Antelope Valley's Jerry Brownwood is Mack Ott, Jerry Dannar and Cliff Furuken.

The Antelopes' powerful running twins, Jerry and John Brownwood, ripped huge holes in the Braves line as the visitors scored a 32-0 victory. Baldwin Park with another bad night, couldn't get anything going.

Jerry Brownwood, a halfback, collected the first two touchdowns of the night, Jack LaSagna and John Brownwood also scored for Antelope Valley.

This was Antelope Valley's third straight win, after beating off Cathedral, Jefferson and Baldwin Park.

Baldwin Park, shutout victims at the hands of St. Anthony and Santa Ana, has not scored a point in three games thus far.

Scoring their first touchdown in four games, the Braves ended their three game losing streak by defeating a highly-rated El Monte eleven, 7-6, in a wild and wooly exhibition of powerhouse football.

The Braves, scoring late in the fourth quarter on a one yard quarterback sneak by Jack Castleton, were on the offensive all night. The Braves defensive unit contained the explosive El Monte backfield, as the Lions couldn't get a running or passing game going.

El Monte took the lead midway through the third quarter when Lion fullback, Bob Allen, hit paydirt on a 10-yard end run. The PAT by Dennis Murray was wide to the left and the Lions nursed this 6-0 lead until the Braves scored with two minutes left, and Ayon made the extra point for the victory.

La Puente opened its Montview League stanza as Warrior quarterback, Wayne Reid, capped a 60-yard drive by plunging over from the one. The second Warrior T.D. came as the result of a blocked punt.

B. P. narrowed the margin to 13-6 during the third quarter on a 17-yard pass from Jack Castleton to Allyn Ayon.

La Puente added its final marker in the fourth quarter on a 7-yard sweep by Andy Etchbarren. He also added both P.A.T.'s.

The Tigers from Chaffey High roared back in the final quarter to defeat B.P. 19-14, in their league contest, gaining the winning touchdown with 1:09 left to play.

The Braves were first to draw blood as they scored in the second quarter when Tiger quarterback, John Hall, was hit hard and lost the ball to Vince Garcia in midair, who raced 76 yards for the touchdown, Allyn Ayon converted.

This angered the Tigers, who took the ensuing kick-off and marched right back to score on Bill Herron's plunge from the three. The P.A.T. went awry, making it 7-6 for the Braves at halftime.

B.P. advanced its lead to 14-6 in the third quarter when John Burgess intercepted a Chaffey pass on the midfield stripe and dashed all the way to paydirt, Allyn Ayon again converted.

Herron scored shortly after, and trailing by two, the Tigers triumphed in the closing minutes, too late for the Braves to rebound.

Baldwin Park's 19-point last period netted a 26-6 victory over Covina, giving the Braves their first triumph of the season in the Montview League and depriving the Colts of any taste of victory.

Stan Birney ran six yards for Covina's only tally in the third quarter, after Baldwin Park had held a 7-0 lead on John Burgess' three yard scoring run.

The Braves turned it into a rout in the last period, when Allyn Ayon scored on a 5 yard dash. Then Jerry Stephens went across from 5 yards out and Jack Castleton completed the scoring for the night with a 30-yard run.

B.P.H.S. Bee football team finished its season with a 5-3-1 record. This is not too outstanding, unless you consider that we played in a very strong conference. The teams in the Mountview League played very consistent football. They were well coached on fundamentals and had good spirit and morale.

At various times the players were inconsistent. In most part when the team was fired up they won, when they let down they lost.

The Bee team played good football filled with excitement and close scores. Teamwork was found to be the key to success.

The team had some good boys that were disciplined and always turned in a 100 per cent effort. They had good team morale and wanted to play for the team, not just for personal glory. On any situation, team effort will win more games and build more character in football players than will individualism.

Coaches Gerald McPhail and Jim Jones felt this way about the team; "Our team was a fine team to coach because of their desire, courage, determination, and conscientious effort to learn and play better football."

The Cee Football Team had a rather hectic year. We had more talent than any Cee team in the league. The main difficulty as a unit, when the defense was hot the offense couldn't move the ball. When the offense was finally able to move, it was mainly accomplished by our defense wearing down the opposition. In short, if our offense would have played like our defense the C's would have outplayed any team in the league. As it was the C's lost one, tied one and won one in league play.

If next year's team has as much talent as this year's squad it should be a good '61 season.

Varsity Basketball

A portion of the crowd who attended the Covina game at B.P., saw Covina win by seven points.

Baldwin Park's basketball team behind the first year coaching of Ray Ekedal did not perform up to par this season. Coming in fourth place behind Covina, Chaffey and La Puente, Baldwin Park was one of the most dangerous teams in the league, with the best shooters, Bob Johnson, Don Furnald and Chuck Foehlinger.

Starting his first year in coaching, Ray Ekedal's was a fighting job to help his team back into contention.

Terry Machleit and Ron Gold, coming up from the Bee's, did an excellent job this year for Baldwin Park.

Baldwin Park was short in experience from last year with only three returning lettermen. Next year's team, with David Martin, Henry Durr and Bruce Anderson, will give Baldwin Park an excellent chance in the league.

On the night of February 24th, Baldwin Park met Covina in the gym where the big game was about to begin.

Covina, with Marquardt, Jensen and Mike Young, were going against the Braves five.

Baldwin Park, with three of the leading scorers, were going to give Covina a hard time.

The score was going back and forth during the first half and Covina led at the half 27-21. The second half was hard fought and at the end of the game, when the buzzer went off, Covina beat Baldwin Park 49-56 in a fighting game. Don Furnald for Baldwin Park had 18 points, and Ole Jensen had 21 points for Covina, to lead in the scoring column.

One of the most outstanding games of the current season was played with West Covina.

The final score, 83-73, was a clear indication of this exciting evening of basketball. Defeat was not apparent until the final whistle.

Showing their usual fine form, Baldwin Park's Chuck Foehlinger scored 28 points with assistance from Furnald and Johnson, who scored 18 and 22 points respectively. West Covina's Driesweild racked up 43 and Jackson's total of 16 proved too much for the Braves. Both teams were in fine form. Brilliant passing and excellent shooting created an air of excitement. Each coach can boast of the fine game his team played.

Baldwin Park, with three excellent outside shooters, were able to break open the zone and the game early in the first few minutes.

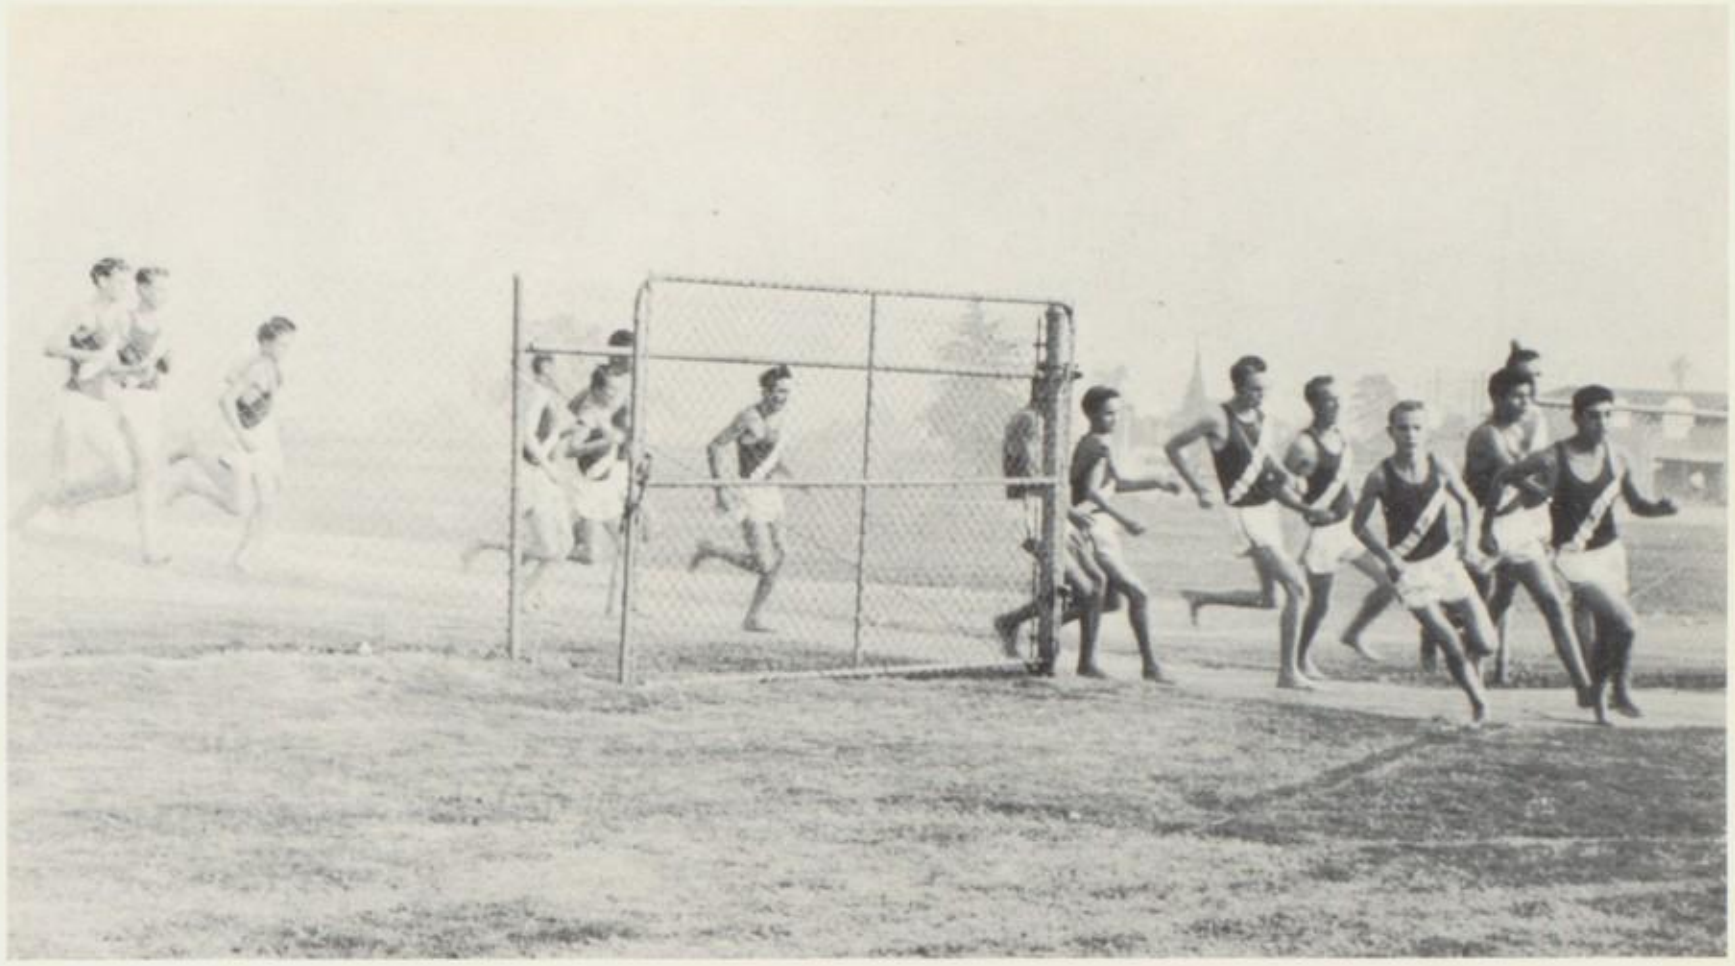
Congratulations should go to Coach Nixon for the fine job he did with the Cee's and Dee's this year.

Billy Hagan won the most valuable player award for the Dee team with an all around fine performance.



Baldwin Park's Cross Country team leaves competition behind.

Don Furnald

Varsity Baseball with nine returning lettermen are going into the league after a seven win and three loss record in pre-season competition.

Good pitching and hitting is spiriting the team so far this season. Coach Clemmer feels this year's team has come a long way. Fine leadership and good spirit has been a great factor in their winning ways.

Hitting, one of their strong points, has helped when the pitching staff couldn't come through with a great effort.

If the entire team does as well as they have in pre-season, with a few breaks the Braves will finish high in the league standing this year.

Robert Roman does a phlange at practice.

Lettermen Leading The Team

Ralph Anderson does a fly away at practice with spotters ready to catch him.

Doing a chair and a cheststand as part of their routine is John Burgess and Jeff Curtis.

Coach Marshall

Varsity track behind the running of David Martinez and Pole Vaulters Steve Wood, Dale Hackney and Tucker Gaunt will give B.P. a good chance for the league crown.

This year's team has more depth than the previous years.

Coach Marshall and Coach Schnell, working together, will give the Braves the needed coaching help that in recent years they have been lacking.

Coach Schnell

Good Chance For League Crown

Row 1: J. Holquin, R. Killian, J. Cisneros, D. Scopen, D. Martinez, W. Morris, D. Hackney, L. Ables, L. Richards. Row 2: H. Renouf, R. Townsend, B. Honold, B. Bjork, S. Wood, T. Gaunt, D. Betts, R. Miller, J. Hollaway, T. Gray.

Steve Carter in action against St. Anthony.

Baldwin Park lost to St. Anthony by 56-53 in an exciting track meet.

Losing in the running events and gaining points in the field events B.P. played an outstanding game against a high rated opponent.

Dave Martinez and Steve Wood won their events handily and did an excellent job rooting the team on during the hot competition.

Coach Marshall can be proud of the team. In spirit and drive they are not lacking even though experience is apparently short.

Braves Gain Experience And Drive. . .

Mike O'Neil takes a practice jog before a meet.

Edwin Lonebear, Cee distance runner, takes a few practice laps.

Row 1: F. Ruge, F. Jordan, M. O'Neil, B. Rose, B. Talbott, R. Lilly, D. Garcia, G. Nuijen, J. Balarnia.

Dale Hackney

Lack of experience so far this season has made a great difference in the performance of the Bee track team. With Bob Talbott and Rick Lilly coming out from baseball to help the track team has helped greatly.

The Cee track team represented mostly by underclassmen, and lacking experience, are showing the other teams that they are not to be pushed around.

Looking for their first victory in league play, after a good preseason showing, they have come close to victory but needed a few more points.

With the hard work that Coach Marshall has contributed this year, and a couple years under their belts the track team will give the opposing team a hard contest.

Dan Garcia

Lack Of Experience

High jump champ and tri-captain Tom Gray.

Steve Wood captain and holder of school pole vault record.

Speedy Dave Martinez, sprint champ and team captain.

The tennis teams with the coaching of Mr. Goodwin and Mr. Anderson will be ready to start on the road for the top prize in the Montview League. With spirit and leadership, Baldwin Park can be one of the best teams in the league.

In the past years the Braves have had a lack of experience, but this year, with a few breaks, the Braves will be ready to meet competition.
